HAI AIR introduces first EC135T2i to Kenya

Hai Air are pleased to announce the completion and delivery of a beautiful EC135T2i with stunning new paint design and refurbished interior to a Kenyan ViP Client.

This has been a joint effort, supported by Edmiston Aviation, Farnborough Aircraft Interiors, Chimera/Recovair Export and A2BAero Engineering Services. The modern EC135T2i Aircraft, is the first of its kind to be successfully exported to Mombasa Kenya, and first of its type on the KCAA Register.

The aircraft handover to the new owner is scheduled to take place in Nairobi later in March after completing type certification and flight training.
