

HAI AIR

HELIS

TECHNICAL SPECIFICATION

"The AW109SP 'GrandNew' is the latest incarnation of the very popular AW109 series. Building on the 109'S', the SP introduces an all-new avionics suite including an integrated FMS and 4 axis autopilot, culminating in its certification as a PBN-compliant aircraft. Without doubt, the SP is one of the most capable & high-speed corporate helicopters available in its class."

NICK HARDY

SPECIFICATION

YEAR OF MANUFACTURER: 2012

MANUFACTURER: Leonardo Helicopters

MODEL: AW109SP Grand New

CONFIG: VVIP ELITE 5 PAX (+1/2 Crew)

SN: 22282

REG: M-INES

CONDITION: Excellent 'As New' – New Exterior Paint 2021 - Interior fully refurbished in 2021 & Seat leather restored in 2026.

TOTAL TIME: 1912.8 HRS. TT

FLIGHT RULES: SP/DP IFR (Instrument Flight Rules)

MAINTENANCE: Excellent condition

PRICE : PLEASE CALL
